Up n Go		\$2.00
Glee		\$2.00

Canteen Information

Hi, my name is Cre Millar, and I have managed the canteen since 2012. We adhere to the WA School Canteens Association's Traffic Light System of healthy and nutritional choices for school canteens. We make as much food as possible on-site and from scratch. We can cater for all dietary requirements; please ask us when ordering.

Ordering

Unfortunately, due to high demand on the school internet, we do not have online ordering.

Our canteen is open from 8 am - 2 pm daily and orders can be made at the counter either before school or during recess. If you cannot pick up your lunch order for any reason, please ask the school to contact the canteen before lunch and let us know, then we can refund your money.

Our canteen is cash only due to the same internet issues as well as high fee costs.

Volunteering

Our canteen has a daily paid staff of three people, and we require 2-3 volunteers each day from 9:30 am - 2 pm. All parents and family members are welcome, and friends/community members with a WWCC card and current Police Clearance are welcome as well. We are a happy band of hard-working people with a diverse background so come along and join us for a day of lively chatter and a friendly cuppa! We are also a Centrelink-approved organisation so volunteering with us can be used towards your "working credits". You can contact me directly on 9314 9373 daily between 8 am - 2 pm, or my mobile number 0449 808 008 any time or email me at cremillar@gmail.com.

Sustainability

We recycle all paper and plastic products inside the canteen and are working towards changing our packaging to environmentally-friendly choices where possible. We try to use as many environmentally-friendly products as we can and are conscious of our environmental footprint.

Canteen Profits

100% of the profits made in AXSHS canteen go directly back into our school in the form of equipment, furniture or teacher support. In the 8 years that I have been manager we have raised over \$100 000. We donate the unsold food twice a week to the Chaplain's after-school fitness club and are recipients of the Second Bite charity, bringing excess farm produce together with schools who can utilise it. We also maintain a Chaplain's lunch ticket program where students in temporary financial distress can eat a nutritious canteen meal at no expense. The canteen also sponsors the annual AXSHS Canteen Art Award which is open to every Year 12 Art student at the school. We also host an annual Thank You Volunteers morning tea for everybody who volunteers in any capacity at AXSHS.
