

# Behaviour Management Policy and Procedures

## ***Rationale***

Applecross Senior High School has developed this Behaviour Management Policy to ensure that a safe, supportive and caring learning environment is created for all students while fostering self-discipline, self-motivation and self-respect.

The ***Policy*** complies with the values and regulations within

- The School Education Act 1999
- The National Safe Schools Framework
- The Outcomes and Standards Framework

This Policy will be reviewed annually.

The ***Procedures*** to implement the Policy meets the requirements in the School Education Act 1999 for

- Access - the right to education for every student
- Choice - freedom to choose education providers
- Partnerships - parents, students and staff work together
- Equity – adjusting assessments and procedures to meet individual students' circumstances

***Decisions, consequences and sanctions*** derived from the Policy and procedures, comply with the principles of

- Procedural fairness
- Rule against bias - impartiality, objectivity and absence of prejudgement
- Rule of opportunity to be heard - reasonable notice and opportunity is given to present participants' points of view
- Rule of evidence - records, both verbal and written, are completed and retained
