

## Inter-school Sport Selection Procedures

Applecross SHS participates in a number of sporting events across a wide variety of sports. The teams for these events are selected in several different ways depending on the circumstances.

### **Swimming and Athletics**

Members for the Inter-school Swimming and Athletics Teams are selected following the school Inter-House carnivals. Selection is based on student performance at these carnivals.

There are sometimes extenuating circumstances where a student may challenge for a position in these teams. If a student feels that they have grounds to challenge for a position in the team, they must discuss the situation immediately following the announcement of the team with the Health & Physical Education HoLA. Preference is given to students that competed during the House Carnival. If it is deemed that a challenge is warranted, then a time and date for the challenge will be set in consultation with all concerned.

### **Lightning Carnivals and Champion Schools Competitions**

Your Physical Education teacher will take Lightning Carnival nominations during General Physical Education lessons. Nominations for Champion Schools Competitions will be advertised during morning notices. Students will need to write their name on the list in the Physical Education office or on the Physical Education noticeboard. Trials for Lightning Carnival and Champion Schools teams will be advertised via SEQTA notices. If a student is unavailable for the trial, they must discuss with the relevant staff member if another trial can be negotiated. Students are expected to attend all training sessions and team meetings that are held. Failure to attend may place their position in the team in jeopardy. Loss of good standing and poor behaviour in Physical Education classes will impact on the selection of team members.
