2. Students selecting the Specialist Tennis, Music or Special Art must have been selected for inclusion in the program/s. Please choose if you are one of these students
3. Rank your preferred options for the year. Rank 1 to 10 for EACH semester. This means 1 to 10 for Semester One **and** 1 to 10 for Semester Two.
4. Students choosing to study a language – either French or Japanese – must study the selected language in both Semester One **and** Semester Two.
5. Students must study at **least one subject** from **The Arts Learning Area** and at least one from the **Technologies Learning Area** in the year (excluding Special Art students who wish to study Music).
6. It is not guaranteed that students will be able to be enrolled in all their requested subjects. The ranked list will assist in placing students in the next available subject, so preferred rankings should be completed thoughtfully
