

## SEQTA Engage – Usage Guide for Parents/Guardians

What is SEQTA?

SEQTA is a collaborative teaching and learning ecosystem for **teachers**, **students** and **parents/guardians**.

- **SEQTA Engage** is our online engagement platform for **parents/guardians** to:
  - ✓ View your **child's** progress
  - ✓ Connect with **teachers**
  - ✓ Participate in your **child's** learning journey

You can access Engage from the school website.

- A link to the **Engage Applecross** login page is available on the universal menu bar on the right-hand side of the School website - <https://applecross.wa.edu.au>
- Click on the '**SEQTA Engage**' icon to access the page.
- Enter your **username** and **password** at the **SEQTA Engage** login page.

**Welcome to SEQTA Engage!**

**Getting around**

Use the menu on the left to navigate. If you're on a small screen, the menu hides automatically, but you can summon it using the menu button in the corner.

Use the menu to explore and see what you can find. Note that your school may not be using all of the pages.

**Your dashboard**

The dashboard page includes dashlets which your school has enabled (and which you can't disable!), as well as optional dashlets

and constitutional change.

In Economics and Business students study the concepts of making choices, the interdependence of co-producers in the market and the characteristics of successful businesses, including how entrepreneurship contributes to business success. Work and work futures are also discussed.

In Geography, concepts of time, space, environment, interconnection, sustainability and change continue. Students will explore the value of water as a resource, including its scarcity, and then move into culture
