

If you have never helped out at the school canteen before, it is easy to learn. Even if you don't want to serve the children, there are still plenty of other things you could do that would be very helpful.

Any time you can give would be much appreciated. However, the preferred hours are 9:45 am - 1:45 pm.

The canteen aims to provide a quality service at a reasonable price and to maintain this standard voluntary help is always required. The atmosphere is very relaxed, and many interesting conversations are held whilst preparing the food.

Money raised by the canteen's operation is put back into the school, so come on, give it a try. WE NEED YOU!

Please contact Cre Millar at the canteen on 0449 808 008.
