Dear Paul

I am pleased to advise that the Public School Review of Applecross Senior High School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The performance of your school, determined through your self-assessment submission and validated by the review team, has been confirmed to be exceptional.

The timeframe of return for the next Public School Review of your school will be 5 years and is scheduled for 2028. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I acknowledge the efforts of you and your staff in optimising the conditions for successful students. The commendations and recommendations for your school against each of the domains are noted.

Your team of staff and leaders have clearly maximised the opportunity presented by a unified school community of students, families and external partners to deliver pathways, support and high-quality teaching in classrooms. I congratulate you all on placing your school among our most exemplary learning environments, ensuring that the wellbeing of all stakeholders is privileged and high expectations for student achievement are set and monitored consultatively.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
